

Full Name

Antonio Pesenti

Biography

Antonio Pesenti is a full-time Professor of Anesthesiology and Intensive Care at the University of Milan and Director of the Department of Anaesthesia and Critical Care at the Policlinico Hospital of Milan. He has been trained in Medicine at the University of Milan, where he has also obtained his research fellowship for extracorporeal membrane oxygenation (ECMO).

Professor Pesenti's research interests include lung mechanics and gas exchange in acute respiratory distress syndrome patients, respiratory failure therapy, extracorporeal support and chest imaging.

He has taken part in several scientific committees, most recently reviewing the minimum requirements for the initiation of an ECMO centre, and guidelines for oesophageal pressure in respiratory intensive care, as well. Professor Pesenti has given over 650 invited lectures in national/international meetings and symposia and has authored over 250 publications.
