

Kenneth Palmer

MD	1982	Karolinska Institute Stockholm Sweden
Consultant	1986	Karolinska Institute Stockholm Sweden

Anesthesiology and ICU care for Newborn Pediatric and Adult

Director ECMO center Karolinska 1999-2014

Made and developed ECMO centre Karolinska University hospital since 1986 which now is one of the three big centre in the world.

Center of Excellence 2007 - 2009

Center of Excellence 2009 - 2011

Center of Excellence 2011 - 2013

Center of Excellence 2013 – 2016

Center of Excellence 2016 – 2019

More than 150 lectures as invited speakers all over the world

Our publications

51. Does permissive hypoxaemia during extracorporeal membrane oxygenation cause long-term neurological impairment?: A study in patients with H1N1-induced severe respiratory failure

Oct 2016 European Journal of Anaesthesiology

50. Cannula Design and Recirculation during Venovenous Extracorporeal Membrane Oxygenation

September 2016

ASAIO Journal 62(6)

DOI: 10.1097/MAT.0000000000000440

49. ESICM LIVES 2016: part two: Milan, Italy. 1–5 October 2016

September 2016 DOI: 10.1186/s40635-016-0099-9

Conference: Intensive Care Medicine Experimental

The role of hyperoxia and hydrogen sulfide in glucose utilization and mitochondrial function during circulatory shock

European Society Intensive Care Medicine ESICM

48. Long term outcome after respiratory ECMO and length of ECMO treatment

Intensive Care Medicine Experimental 2015,3 (Suppl 1):A153 Oct 2015

47. The Stockholm experience: Interhospital transports on extracorporeal membrane oxygenation

Jul 2015 Critical care (London, England)

46. God långtidsöverlevnad efter ECMO-behandling

Article Mar 2015 Lakartidningen

45. Long term cerebral outcome after ECMO för pandemic H1N1 respiratory failure

Article Jun 2014 European Journal of Anaesthesiology

44. Extracorporeal membrane oxygenation in pediatric recipients of hematopoietic stem cell transplantation: an updated analysis of the Extracorporeal Life Support Organization experience.

Di Nardo M, Locatelli F, **Palmer K**, Amodeo A, Lorusso R, Belliato M, Cecchetti C, Perrotta D, Picardo S, Bertaina A, Rutella S, Rycus P, Di Ciommo V, Holzgraefe B.

Intensive Care Med. 2014 Feb 21. [Epub ahead of print] No abstract available.

43. Comment on Grasso et al.: ECMO criteria for influenza A (H1N1)-associated ARDS: role of transpulmonary pressure.

Holzgraefe B, Broomé M, Frenckner B, Kalzén H, **Palmér K**.

Intensive Care Med. 2012 Jul;38(7):1241. doi: 10.1007/s00134-012-2538-8. Epub 2012 Apr 12.

42. Long-term ECMO treatment in Jehovah's Witness patient without transfusions.

Lindholm J, **Palmér K**, Frenckner B.

Perfusion. 2012 Jul;27(4):332-4. doi: 10.1177/0267659112444328. Epub 2012 Apr 10.

41. Neonatal respiratory extracorporeal membrane oxygenation (ECMO) referrals.

El-Khuffash A, Kieran E, **Palmer K**, Molloy E.

Ir Med J. 2011 Mar;104(3):78-81.

40. Extracorporeal membrane oxygenation for pandemic H1N1 2009 respiratory failure.

Holzgraefe B, Broomé M, Kalzén H, Konrad D, **Palmér K**, Frenckner B.

Minerva Anesthesiol. 2010 Dec;76(12):1043-51.

39. Cytotoxic therapy for severe swine flu A/H1N1.

Henter JI, Palmkvist-Kaijser K, Holzgraefe B, Bryceson YT, **Palmér K**.

Lancet. 2010 Dec 18;376(9758):2116. doi: 10.1016/S0140-6736(10)61345-1.

38. Experimental extracorporeal membrane oxygenation reduces central venous pressure: an adjunct to control of venous hemorrhage?

Larsson M, Talving P, **Palmér K**, Frenckner B, Riddez L, Broomé M.

Perfusion. 2010 Jul;25(4):217-23. doi: 10.1177/0267659110375864. Epub 2010 Jun 23.

37. Effects of inhaled nitric oxide and surfactant with extracorporeal life support in recovery phase of septic acute lung injury in piglets.

Song J, **Palmer K**, Sun B.

Pulm Pharmacol Ther. 2010 Apr;23(2):78-87. doi: 10.1016/j.pupt.2009.10.012. Epub 2009 Oct 28.
